

# CHESTER STREET TO CLOSE MID/LATE OCTOBER

## LEGEND

-  Closed
-  Alternate Route

As part of the Zoo Interchange Reconstruction Project, work will begin on Chester Street improvements in mid/late October and continue through Fall 2015. During this time, Chester Street will be open to local traffic only. Traffic wishing to access Honey Creek Corporate Building #4 must do so via 92nd Street to Chester Street for the first portion of the project.

## WHAT TO EXPECT DURING CONSTRUCTION

Some construction activities are likely to create noise and/or dust, and some work may be conducted at night during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of intense construction in your area.
